Happy 125th Birthday National Trust!

Oggi siamo felici di festeggiare il 125mo compleanno della fondazione britannica a cui il FAI ha improntato la sua missione. Fu Elena Croce, figlia del filosofo Benedetto, che spinse l'amica Giulia Maria Crespi a impegnarsi per creare in Italia una fondazione sul modello del National Trust for England Wales and Northern Ireland.

Happy 125th Birthday National Trust!

Today we are happy to celebrate the 125th birthday of the British foundation to which the fai has made its mission. It was Elena Croce, daughter of the blessed philosopher, who pushed her friend Giulia Maria Crespi to commit to creating in Italy a foundation on the model of the national trust for England Wales and northern Ireland.

This vision became reality on April 29, 1975 and for 45 years continues to live in our daily work of care and protection of the heritage of art and nature of our country. From here to our 125th birthday we wish to be able to inspire and involve more and more people in the protection of the many unique and precious places that make Italy so special.

Czech National Trust je hrdý na to, že mám tak dokonalou alma mater, který nám spolu s INTO (International National Trusts Organization) pomohl na naší cestě. Jsme jen mladí, slavíme pouze své 5. výročí, ale upřímně doufáme, že za 120 let budeme tak úspěšní při ochraně našeho dědictví pro budoucí generace, jako jste vy! **Všechno nejlepší** k narozeninám !!! 🌟🌟🌟
