TAP-INTO Development Grants
Application form

These small grants of up to £1000 are designed to support our members in developing their offer. The programme builds on the successful INTO Incubator programme, but is open to all INTO members in good standing.

Please complete all of the fields below and submit your application to us using the address into@nationaltrust.org.uk. The deadline for this round of funding is **13 November 2020.**

Name of INTO member applying*
Registered name of organisation

Contact Person

Position in organisation

Contact information
Telephone number or Skype contact information for calls

Email address

Project plan
Tell us here about what you plan to do with the grant. What action will you take?

Statement of need
Please tell us about why you need the grant. Be sure to include information about why your organisation needs this and how it will benefit your organisation in the future.

Budget information
Please tell us how much you are claiming, and how much each part will cost. Approximations are acceptable. The maximum grant is of £1,000 (GBP)

I confirm that these are new costs associated with this project

Bank information
What bank does your organisation use? If your grant is approved, we will need to transfer funds to your organisation's bank account. Please confirm that your organisation has a dedicated account that can receive international transfers.

Certification

I confirm that this application has been approved by leadership of my organisation

Please provide the name and position of the person approving this application
